WELCOME

Welcome to the 2024 OLSA Golf Scramble at Glenross Golf Club! We are thrilled to have you join us for a day of fun, camaraderie, and friendly competition.

We extend our heartfelt thanks to all our sponsors and the OLSA Golf Scramble Committee for their generous support and hard work. And to Glenross for hosting us for 2 years running. Your contributions make this event possible and help us support two vital causes.

Proceeds from today's event will be split between the Cooperative Family Fund, a national fund providing support for children of electrical cooperative employees who have lost a parent while actively working at the cooperative, and Ohio's Electric Cooperatives Fallen Lineworker Fund, which memorializes our fallen lineworkers. In the past year, the Foundation provided financial support for the Blake Rodgers Scholarship Fund at the Scioto County Career Center and to Cassandra Tuttle, the wife of Shawn Tuttle.

Thank you for being here and for your invaluable support. Let's have a fantastic day on the greens!

Alan Amos
OLSA President

RULES OF PLAY

THE COURSE

Glenross's 6,500-yard, par-70 golf course features four sets of tees on each hole. The all new bentgrass tees, fairways and greens will further compliment each hole. Renovation occurred from tee through green on each of the existing 13 holes and five holes have completely new layout and design. Our beautiful course boasts rolling fairways, undulating greens, fifty new sand bunkers, seven ponds and a natural creek. Acres of wetlands, natural grass areas and hundreds of trees have been added to further challenge golfers and enhance the overall playing experience.

FORMAT

- The format for today is a scramble
- Men will be playing from **blue tees** women from the **red tees** and 60 year or older individuals from the **white tees**.
- Pick the best tee shot and mark the spot. Other team members' balls can be placed within one club length so long as it remains in the same cut of grass or within a hazard. Lies can be improved with your club head.
- Par is Your Partner – there will be a limit of par on each hole. To speed up play, once your team has reached the maximum score, please pick up your ball and move onto the next hole.
- There is a time limit of 3 minutes to look for a lost golf ball.
- In the bag you received at registration, you will find 2 drink tickets to be used with the beverage cart. After you have used your tickets, additional drinks may be purchased from the beverage cart or clubhouse. The beverage cart drivers are employees of the golf course (tips are encouraged).
- Please turn in your score card to the golf course officials immediately following your round.
- Tie breakers to be determined by the golf course official.
- Presentations will be made at the reception following the completion of play.

RULES OF PLAY cont.

SKILL CONTESTS

- Hole #3 – First person to score a Hole-in-One wins \$10,000.
Sponsored by Altec Industries
- Hole #8 – Mutual Aid. Ohio's Electric Cooperative's Doug Miller will shoot one extra shot for each team that comes through.
- Hole #9 – Longest Putt wins \$50 Golf Shop Credit.
Sponsored by R&D Utility Products
- Hole #15 – Longest Drive wins \$50 Golf Shop Credit.
Sponsored by Pioneer Rural Electric
- Hole #17 – Closest to the Pin from the tee wins \$50 Golf Shop Credit.
Sponsored by United Utility Supply

GAMES

- 50/50 Drawing – \$5 for one ticket, \$20 for five tickets.
- \$20 Mulligans per team, one mulligan per player.
- \$20 Extend a Putt String – purchase 3' of string to use to extend putts on the entire course until your string is used up.

PRIZES

- **First place team** – \$500 gift card
- **Second place team** – \$400 gift card
- **Third place team** – \$300 gift card
- **Door prizes** – In the bag you received at registration, you will find a door prize

Support Our Lineworkers

**Order your
plate next time
you register a
vehicle!**

OhioBMV

In honor of lineman appreciation month, display your support as you drive with Ohio's newly designed "Honoring Fallen Lineworkers" license plate.

Just \$20 more when you renew or register your car this year. The state will donate half, \$10, to the fallen Lineworker fund, managed by Ohio's Electric Cooperatives.
